

HOW TO LET GO OF THE WORLD

AND LOVE ALL THE THINGS CLIMATE CAN'T CHANGE

a film by Josh Fox

The writer and director of Emmy-winning and Oscar nominated "Gasland I & II" continues his interrogation of the fossil fuel industry in his new film, "HOW TO LET GO OF THE WORLD AND LOVE ALL THE THINGS CLIMATE CAN'T CHANGE." This film presents a message of hope and creative possibility despite devastating climate change.

COME MEET JOSH FOX FOR DISCUSSION AT THE FILM!
